&
organic terpenes
from the plant itself

510-THREADED CARTRIDGE

USER INSTRUCTIONS

510-THREADED CARTRIDGE

READ CAREFULLY. ALWAYS
FOLLOW THE INSTRUCTIONS
BEFORE USING.

USAGE

- Your cartridge is only compatible with 510-threaded batteries.
- Turn cartridge clockwise onto your battery
- **DO NOT** overtighten.
- Follow the instructions given to you by your selected battery.
- Best enjoyed within six months.

STORAGE CONDITIONS

- Store in a cool, dry place between 4–30°C (39–86°F).

TROUBLESHOOTING

- Restricted airflow – Preheat for 5 seconds, store upside down when not in use. Cartridge connectivity issue – remove cartridge from the battery and reattach lightly.

CAUTION

- Cartridge is **NOT** waterproof.
- **DO NOT** expose cartridge to direct sunlight.
- **DO NOT** expose cartridge battery to freezing temperatures.
- **DO NOT** tamper with cartridge.
- **DO NOT** subject cartridge to high altitudes as leakage may occur.

**WARNING: USE THIS
DEVICE PROPERLY AND
ONLY USE ACCORDING
TO INSTRUCTIONS AND
CAUTIONS.**
